Hi Jason

I am sending you two briefing papers. I wrote one pertaining to 404, but noted in your email to Trina, we would be providing a paper on the history of engagement, major concerns of others and present status. It sounds broader than 404, so I crafted a second paper for your consideration.

I am not sure if you have the Pima County letters that Trina referred to, so I am forwarding them to you as well should you include them in the email to Russ, Susan and Horst.
